

Pablo Garrigós Ibáñez

SENSE OF TASTE

For more than 20 years working as a manufacturer of the most select turrone and confectionary, Pablo Garrigós Ibáñez has been driven by the same objective: offering 100% home-made product that meets the standards for the most demanding gourmet.

Our company holds claim to a tradition built around three generations of master turrón makers yet manages to maintain a youthful drive towards continuous self-improvement. Our main focus is to carefully supervise all aspects of our work, from selecting the best natural ingredients to our personalized customer service.

All of our products are manufactured following traditional methods. We carefully choose the ingredients of our turrón from regions renowned for producing the finest quality natural products. From the Mediterranean basin, where the Marcona almond can be found, to the mountains of the Iberian Levante from where our orange blossom and rosemary honeys originate. Our desserts and chocolates also follow the same tradition of quality, being the perfect example of a fusion of rich traditional flavours and essences from around the world.

NEW EDITIONS

CHOCOLATE ORIGIN – Limited Edition

Discover a new world of the chocolate origin by Pablo Garrigós Ibáñez

Carefully made from selected cocoa beans harvested in authentic Grands Cru of the country. The uniqueness of the area, climate and soil make these selection single origin chocolates.

TANZANIA – 75 % cocoa

With great intensity and flavor, it delivers a fusion of liquorices, ginseng root and bitter walnut impressions. It's taste then turns surprisingly creamy and 'round', with impressions of sour cherries and plum marmalade.

Unit: Bar 80 g

Unit / box: 20- 24 units approximately

Size: 11 x 1 x 13 h cm

Shelf Life: 18 months

SANTO DOMINGO – 70 % cocoa

It's velvety texture and strong flavor elegantly blend the first notes of minerals, berries and medicinal herbs with the final impressions of green and black olives.

Unit: Bar 80 g

Unit / box: 12 units

Size: 11 x 1 x 13 h cm

Shelf Life: 18 months
